NOTICE
SMMC Proposition 1 Amended Grant Guidelines
Public Comment Period

The Santa Monica Mountains Conservancy (Conservancy) is pleased to announce the appropriation of Proposition 1 Urban Creek Funds. On July 10, 2017, Senate Bill No. 108, Chapter 54, appropriated Water Code Section 79735(a) funds to the Conservancy for projects to protect and enhance an urban creek pursuant to Water Code Section 79735(a).

The Conservancy has drafted an amendment to the existing Proposition 1 Guidelines. All eligible project categories and project scoring criterion remain the same. The purpose of this amendment is to incorporate the budget language into the existing Proposition 1 guidelines.

The current SMMC Proposition 1 Grant Guidelines, Grant Application Form and other important information regarding SMMC grant programs is available at:

www.smmc.ca.gov

This is the first appropriation of Water Code Section 79735(a) funds to the Conservancy since Proposition 1 was passed in 2014. As several potential projects and applications for these funds have been on hold for several years, the Conservancy is making every effort to expedite the encumbrance of these funds.

Comments regarding the amended guidelines are due by Wednesday at 5:00 p.m., September 20, 2017, and may be emailed to grants@smmc.ca.gov or delivered at the following address:
